PRESS ADVISORY

Strategic Planning session to be held Thursday, January 21

JONESBORO - Interested residents are invited to attend a work session of the committee assigned the task of drafting a strategic plan for Clayton County Public Schools. The plan that is created will guide the district for the next three to five years.

The committee will meet Thursday, January 21, at the Professional Learning Center, 1087 Battle Creek Road in Jonesboro (next to Tara Stadium). The session will begin at 1:30 p.m. and will end by 3 p.m.

This invitation is being extended to give members of the community an opportunity to observe the work of the committee as it continues the process of building a strategic plan. County residents will have a chance to voice opinions and ask questions after the initial draft of the strategic plan has been completed and is posted for public review and comment.
