

Principal Partner's Day 2010

CLAYTON
CHAMBER OF COMMERCE

Welcome To Principal Partner's Day

The Clayton County Chamber of Commerce and Clayton County Public Schools will host our first Principal Partner's Day on Tuesday, October 26, 2010. We invite you to participate in our program as a principal for a day in our schools. We believe this experience will provide you with a richer view of what goes on in our schools, a view you can carry back into the community.

Education is an integral part of our community's success. When business and community leaders work together with educators we ensure our students are prepared for the business needs of tomorrow. This is a partnership that strengthens our economic future.

We look forward to your participation in the Principal Partner's Day program. We hope this experience will enhance your commitment and ongoing support of our local schools.

Sincerely,

Principal Partner's Day

CLAYTON
CHAMBER OF COMMERCE

What Is Principal Partner's Day?

The Principal Partner's Day program is a collaboration of the Clayton County Chamber of Commerce and Clayton County Public Schools. This program will provide an opportunity for business and community leaders to visit our schools and gain first-hand experience of the strengths and challenges of running a public school. Through this program we hope to build stronger business and community partnerships with our school district.

The Principal Partner's Day participants will spend four hours as a principal in a Clayton County Public School and observe the "day in the life" of a school principal. The day will conclude with a Principal Partner's Day luncheon. Prior to your school visit, the Principal and Partners will have the chance to meet at a Mixer.

What Will I Experience During "Principal Partner's Day"?

- Meet with the principal and his/her administrative team
- Observe and participate in the principals' daily routine
- Visit classrooms and talk with teachers and students
- Tour the school and visit the school's Academic Gallery
- Provide valuable feedback to the principal
