WELCOME

Summer enrichment plays a critical role in providing extra learning time for students. The Clayton County Public School System is happy to be able to provide a variety of opportunities for all ages this summer. The summer academic programs are designed to meet the specific needs of students and to positively influence student achievement in unique ways. The various summer enrichment programs and camps offered help growing minds stay strong, sharp, and ahead of the rest. The Clayton County Summer Enrichment Programs and Camps is a great way for students to get ahead or participate in activities just for fun. We encourage you to frequently visit our website at www.clayton.k12.ga.us to stay abreast of the many summer opportunities available for our students.

***We look forward to seeing students
at one of our many summer programs!***
