Re: Transportation Non-Transport Zone

Dear Parents,

The Clayton County Public Schools Budget Reduction Plan for the 2010-2011 school year modifies school bus transportation. The Transportation Plan calls for enforcement of the Board of Education Transportation Policy which states that transportation will be provided for children living 1-1/2 or more miles from their assigned school. Students living within 1-1/2 miles from their assigned school will not be eligible for transportation except, in areas identified to be hazardous.

Students eligible for transportation will receive a post card with their school bus stop information for the 2010 – 2011 school year. Bus stop information will also be available on the CCPS website under the school & bus locator tab. If you have any questions, please contact **Dr. Cephus Jackson, Chief Operations Officer** at (770)473-2819.
