CCPS Schools and Offices Closed Thursday, January 18, Due to Wintry Weather Road Conditions

JONESBORO – Due to anticipated road conditions resulting from below freezing temperatures, Clayton County Public Schools (CCPS) will close all schools and offices Thursday, January 18, 2018. The decision extends to all activities and programs.

“We want our students, staff and their families to remain safe and warm during this time of wintry conditions,” said Dr. Morcease J. Beasley, CCPS Superintendent of Schools. “During the day away from school, we encourage our students to engage in learning by accessing available online resources and other supportive material.”

“We will continue to monitor weather conditions and issue further advisories as necessary as it relates to the status of the school day for Friday, January 19,” he said. “We also encourage our families to stay informed by monitoring the official reporting stations of CCPS, WSB-TV (Channel 2) and 95.5 FM and 750 AM WSB Radio and by keeping watch on all district communications platforms.”

All school district staff should be advised that instructional and employee make up days will be announced in the upcoming days. As district officials determine future make up days, students and parents are encouraged to utilize the following Learning at Home tools.
