

PUBLIC REVIEW OF TEXTBOOKS FOR SOCIAL STUDIES

March 1st – March 8th

Clayton County Public School Department of Social Studies invites all stakeholders to participate in a review of the proposed textbooks up for adoption for K-12 social studies courses. Samples of each proposed textbook can be found in the media center or parent liaison resource center of each selected site. There you will be able to read about the considerations made when selecting each textbook as well as review the proposed ancillary materials that will support each textbook. We also invite you to provide the department with feedback on each of the proposed textbooks. We thank you for your participation in advance!
