## **CCPS Encourages Stakeholders to Remain Vigilant**

In light of today’s events in Jacksonville, Florida, Clayton County Public Schools (CCPS) asks all stakeholders to keep the victims and their families in your thoughts during this heartbreaking time. While we are saddened by the news, we believe it is vital to also encourage all stakeholders to remain alert as we understand that safety is the responsibility of everyone.

“Our hearts, thoughts, and prayers go out to the victims, their families and the entire community of Jacksonville. Incidents such as these serve as costly reminders that we should remain ever vigilant with regard to our safety and the safety of those around us,” said Superintendent of Schools, Dr. Morcease J. Beasley. “If you see something, say something,” he added. “Our community and our children are our most precious investments and we all must work together to ensure that we take a proactive approach in safeguarding our communities and its constituents.”

As we work together to maintain safety throughout our community, we remind all stakeholders to utilize the CCPS Mobile APP to report concerns through the district’s See Something, Say Something Tip Line. The CCPS Mobile App is available for free on both Apple and Android devices.
