Clayton County Public Schools (CCPS), Superintendent and Chief Executive Officer (CEO) Dr. Morcease J. Beasley, is excited to share the Superintendent’s Master Schedule of Critical Conversations, Advisory and Community Meetings for the 2019-2020 school year. While entering his third tenure year leading the fifth largest school system in the state of Georgia, Dr. Morcease J. Beasley is enthusiastic to take CCPS’ Commitment to High Performance to new heights. Dr. Beasley understands that high performing school systems engage all stakeholders as it is the responsibility of a school district to work collaboratively within the community to ensure the success of all children. With this continued understanding, this year’s school theme is *Deepening and Advancing Our Commitment to High Performance*, it is our goal for CCPS and the Clayton County community to continue to work together to provide our students with an education that will exceed national and global expectations.

With the belief that continuous improvement is only achieved with quality school leadership, effective and rigorous instruction as well as the consistent engagement of parents, students, employees and community, Superintendent Beasley has scheduled the following stakeholder engagement opportunities for the 2019-2020 school year. *Please note that additional details and meetings will be as deemed needed or appropriate.
