

CLAYTON COUNTY PUBLIC SCHOOLS

**REMINDER!**

**“CENSUS DAY 2020”**

**COMPLETE YOUR  
CENSUS TODAY!**

The 2020 Census is underway across America and many households are responding! Clayton County community and stakeholders, we need your help to reach our goal of 80% or higher by completing the recently mailed 2020 Census forms!

**Complete the 2020 U.S. Census via:**

**Online**

[\(https://my2020census.gov/\)](https://my2020census.gov/)

**Telephone**

(English: 844-330-2020; Spanish: 844-468-2020; Vietnamese: 844-461-2020)

**U.S. Mail**

*Help us exceed our goal and count everyone! Census data is strictly confidential and is only collected to determine state funding, county, community and school system programs, and Legislative representation.*

Allocation of these funds directly impact programs such as Head Start and after-school programs as well as technology for classrooms, free and reduced school lunches, special education programs, as well as maternal and child health services!

Approximately 32% of Clayton County residents have completed the census. This is well below our goal of 80-100% that could prevent Clayton County from receiving potentially millions of dollars in funding to enhance our county's healthcare services, community development, educational opportunities and much more! **EVERYONE** counts, make sure you are counted today!
