December 6, 2016

## **CCPS Urges Stakeholders to Monitor Weather Due to Forecasted Freeze Warnings**

**JONESBORO-** According to local weather forecasts, a freeze warning is predicted Thursday, December 8th and Friday, December 9th. As a precaution, we are asking parents/guardians to monitor the weather and ensure that your children are dressed warmly in preparation for the cold weather. Appropriate attire for students during weather concerns can be found in the 2016-2017 Parent/Student Handbook as well as on the Student Services page of the district website.

For additional updates or special announcements from Clayton County Public Schools (CCPS) regarding weather concerns, stakeholders are advised to check the school district's official weather reporting stations, WSB-TV (Channel 2 News) and WSB Radio (750 AM), CCPS website, Television Station (Chanel 24), Mobile APP, social media platforms, or the School Messenger and Infinite Campus.

We recommend all stakeholders to monitor these platforms to ensure the safety of all students as we prepare for the chance of inclement weather in the coming days. For more information on inclement weather protocols visit the Clayton County Public Schools website, [www.clayton.k12.ga.us](http://www.clayton.k12.ga.us).
